

December 17, 2014 ACBI Service Task Force meeting.

Maggie provided information about the Community of Providers and encouraged this group to use the Assistive Technology project as a topic. Suggestion to pull in Easter Seals with the possibility of also identifying items that could be purchased for the AT Demonstration Center at Easter Seals that individuals can check and try prior to making purchases themselves.

Assistive technology booklet –

- Jane has communicated with the graphic designer and they are getting prepped to support this project as needed.
- Jane asked national group what they are working on. What we are working on is the most comprehensive of projects that is out there at the moment.
- Going to college component might be something that be tackled separately as a supplemental piece.
- Does the survey need to be opened up beyond this group?
